

AUTHORITY MAP

Take the genuine decisions from your inventory and decide where authority should live.

For 'What's stopping this?' consider: Skill / Trust / Process / Information / Explicit Authority

Decision	Who decides now?	Who should decide?	What's stopping this?	Boundary / limit

Employee perspective

Five things I do best:

1.

2.

3.

4.

5.

What decisions should I be making that the owner still makes for me?
